LEASE PAYMENT PLAN

Let's face it...capital costs can be a burden on your operating budget. Tarpomatic Inc. has a simple way to gain the benefits of using Alternative Daily Cover (ADC) for a fraction of what it costs with our competitors. Best of all...at the end of your lease, you OWN the Tarpomatic Automatic Tarping Machine (ATM) and pay no recurring materials costs as you would with our competition.

BENEFITS

of the Tarpomatic Inc. Tarpo-Lease plan include:

- 2-5 year lease to own payment plans available.
- Low fixed annual percentage rate (APR).
- Budget friendly – no large up front capital costs are needed.

Example: Site covers 12,000 sq. ft. of working face each day, 5 days a week, 260 days per year = 3,120,000 sq ft covered annually.

Plastic Film 2.0¢ per square foot = \$62,400.00 annually
(applicator not included in price)

Spray-on Foam 1.8¢ per square foot = \$56,160.00 annually
(applicator not included in price)

Tarpomatic Inc. 0.006¢ per square foot = **\$18,059.00***
